- Device memory (Storage): 32GB

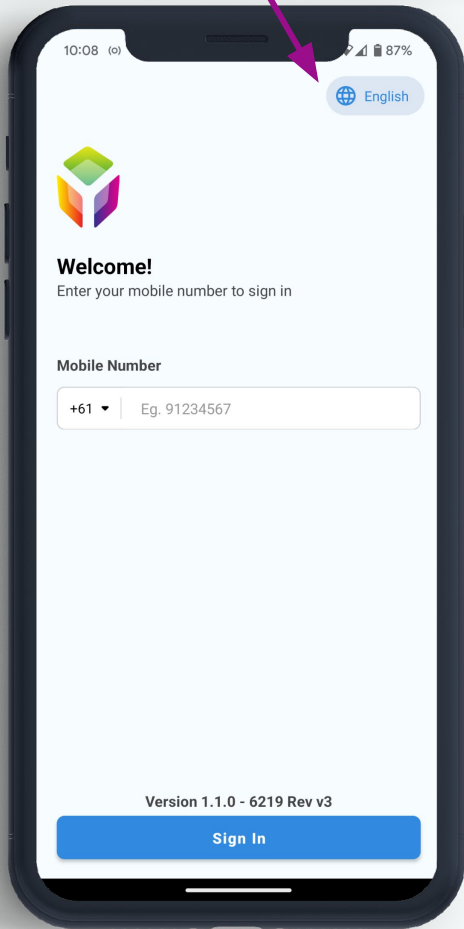

Driver App V3 Training (English)

- How to Complete Orders
- How to Report or Fail an Order
- New Features

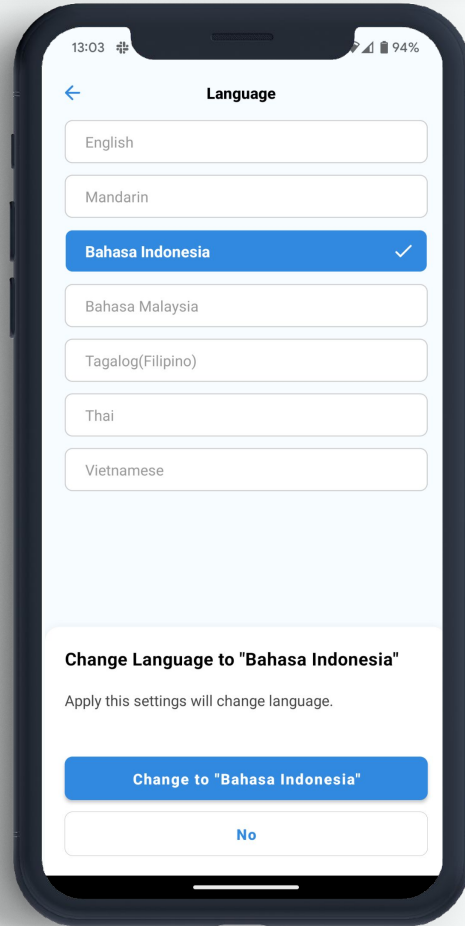

Driver App - Language & Login

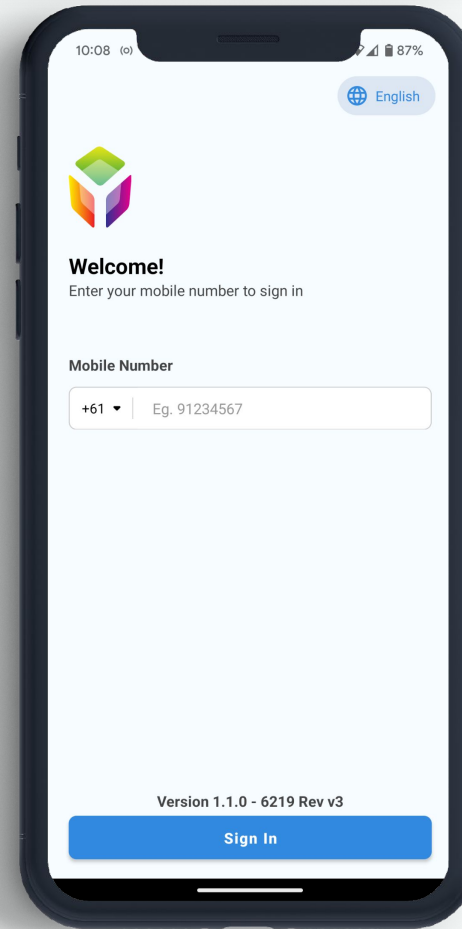

Update to your local Language

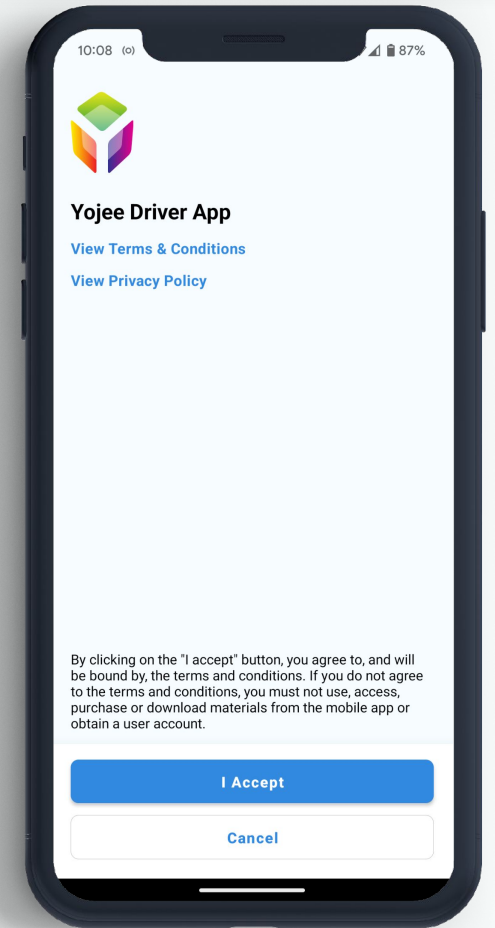

Select the language and confirm if required

Enter your phone number

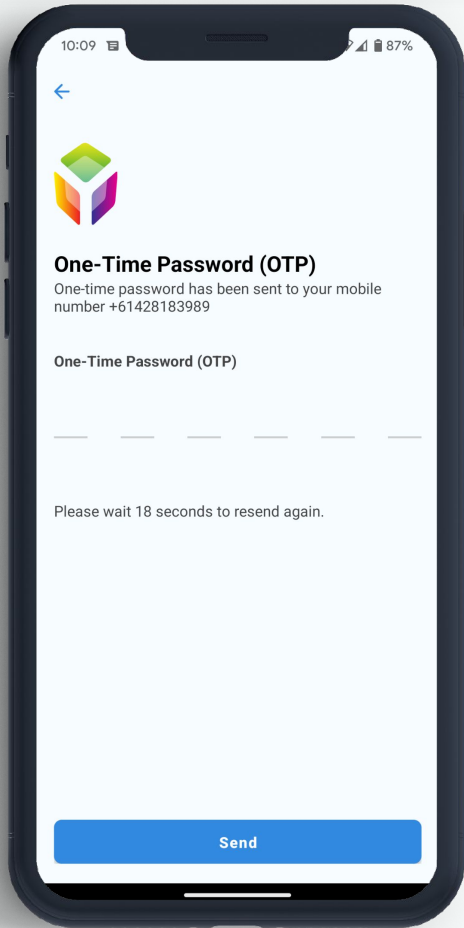

Agree to the terms and conditions

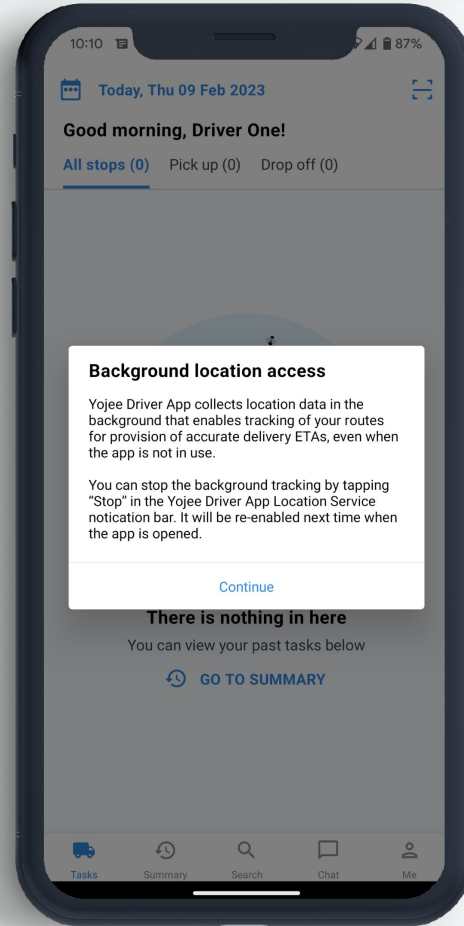

Driver App - Login & Location

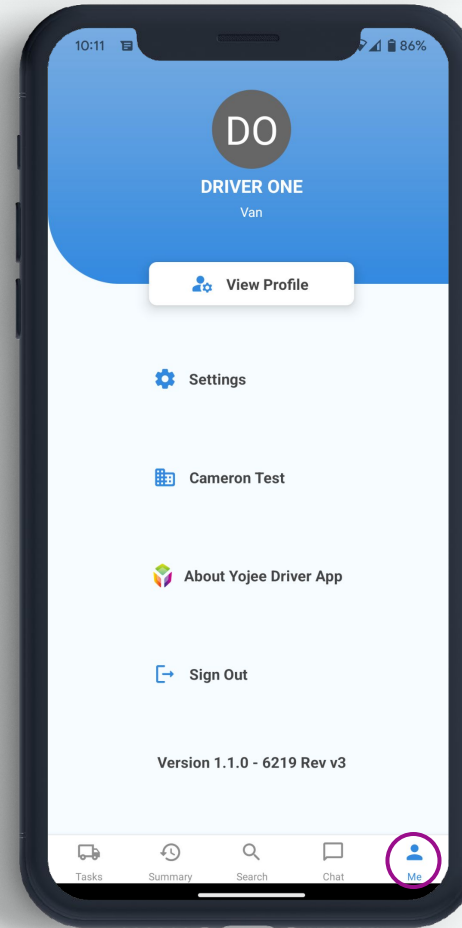

Enter the OTP sent to your phone, select "Send"

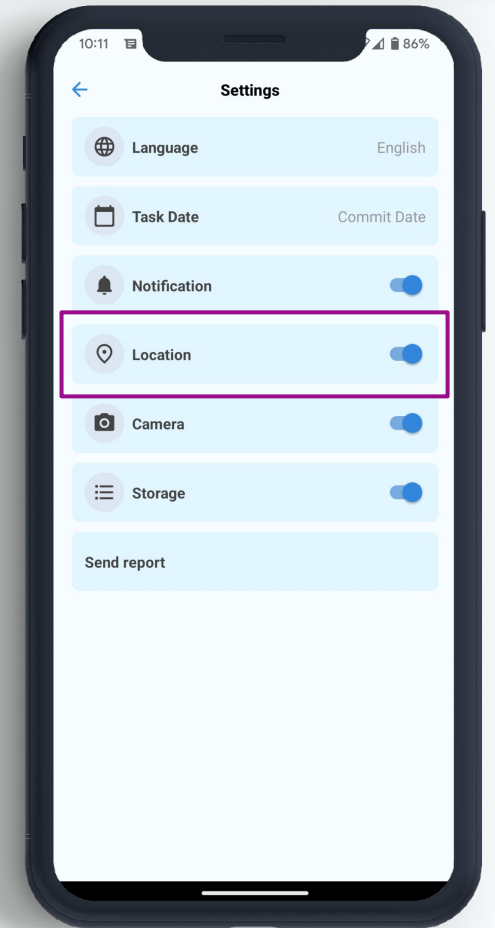

A warning will be displayed if you do not have your background location on.*

Click on **Me** to access the **Settings**

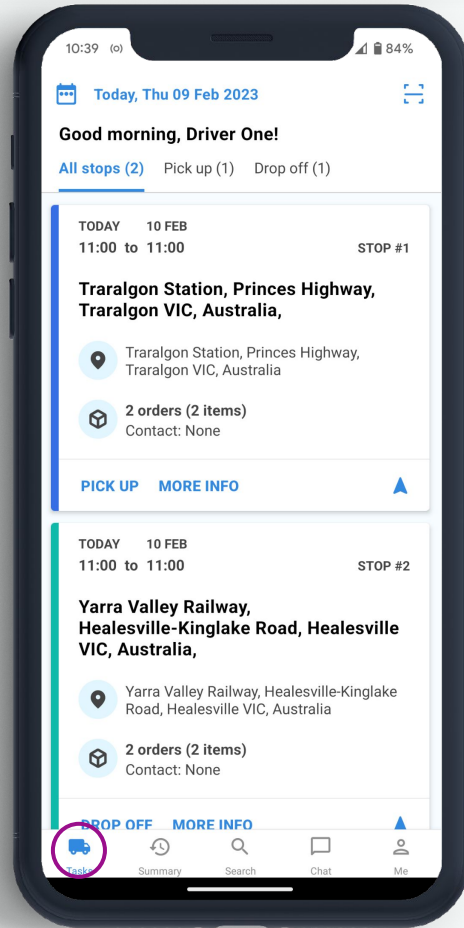

Turn your **location ON**, then go back ←

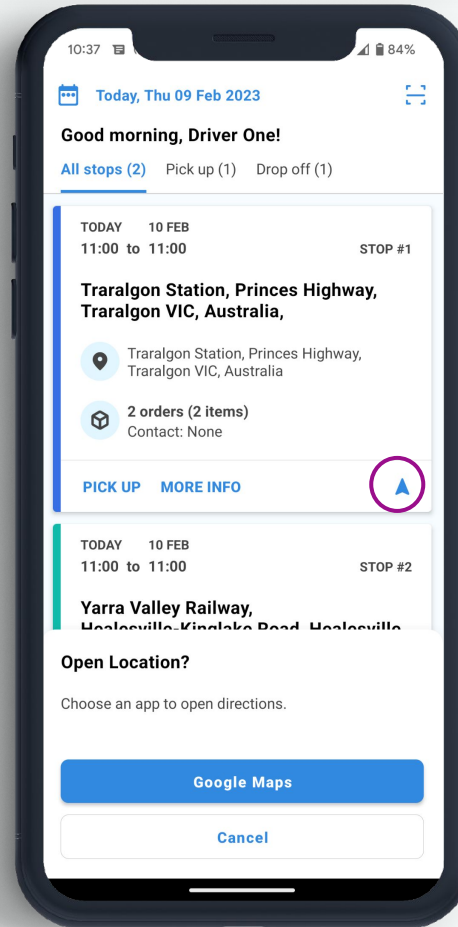

Driver App - Navigation

Select **Tasks** to see your next jobs to complete

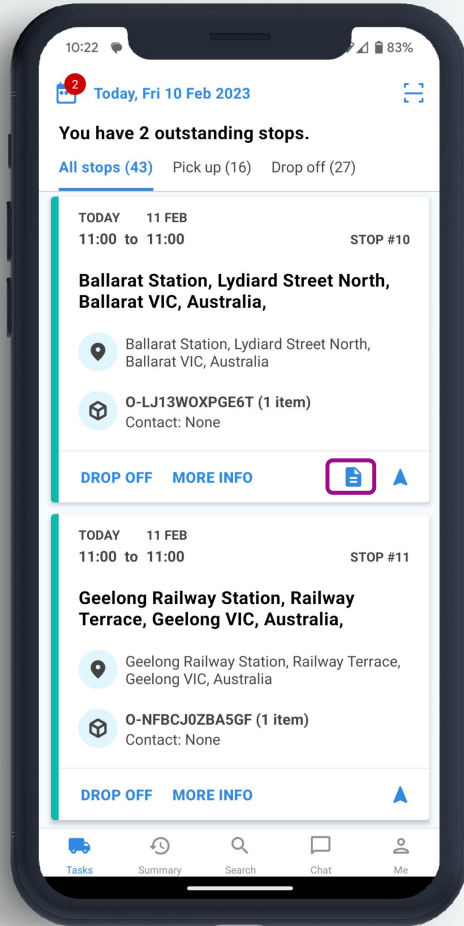

Click on the arrow to access to **Google Maps** or **Apple Maps**

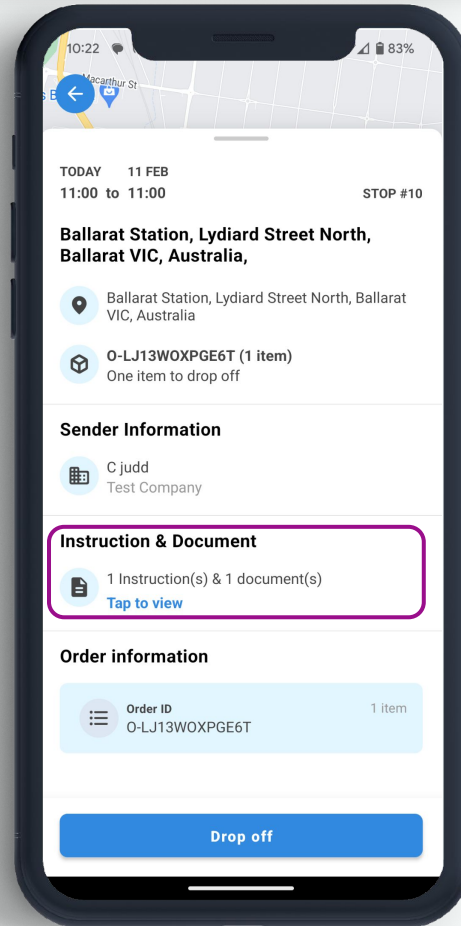

Driver App -Delivery Instructions & Documents

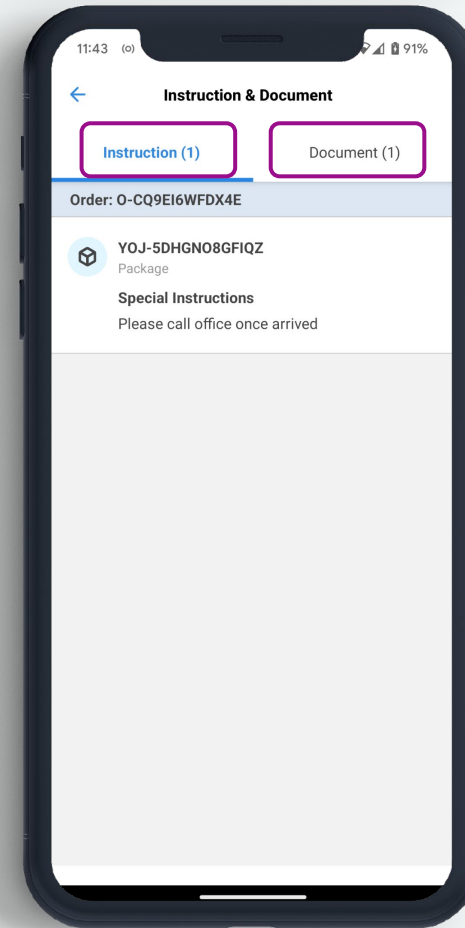

From the **Tasks** screen, select **Document** icon

Alternatively select **MORE INFO** to see additional information

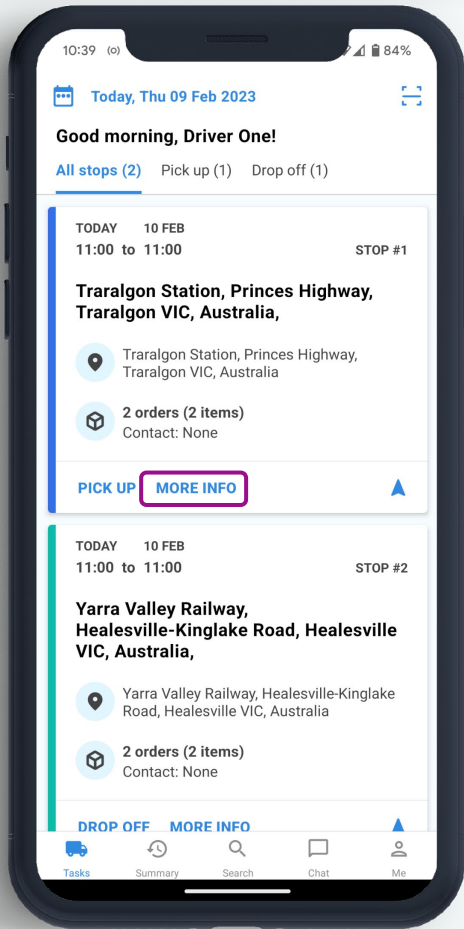

Click to view additional Instructions or to View/Download Documents

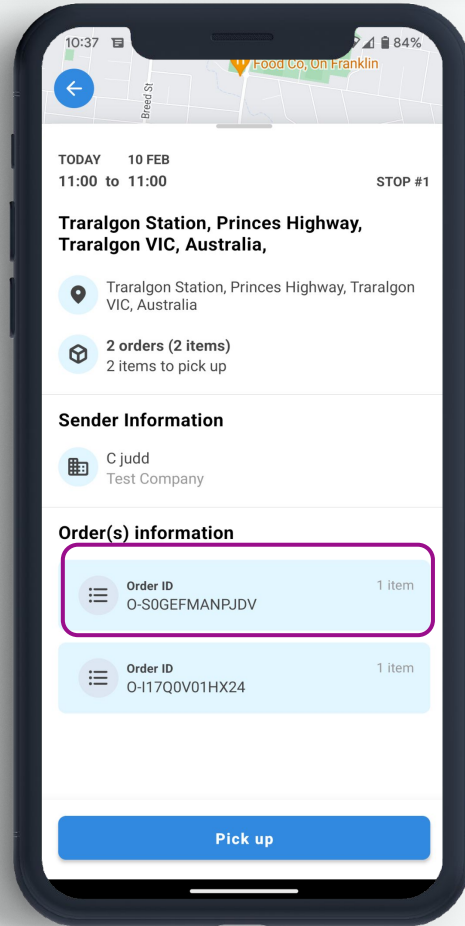

Driver App - Updating Delivery Details

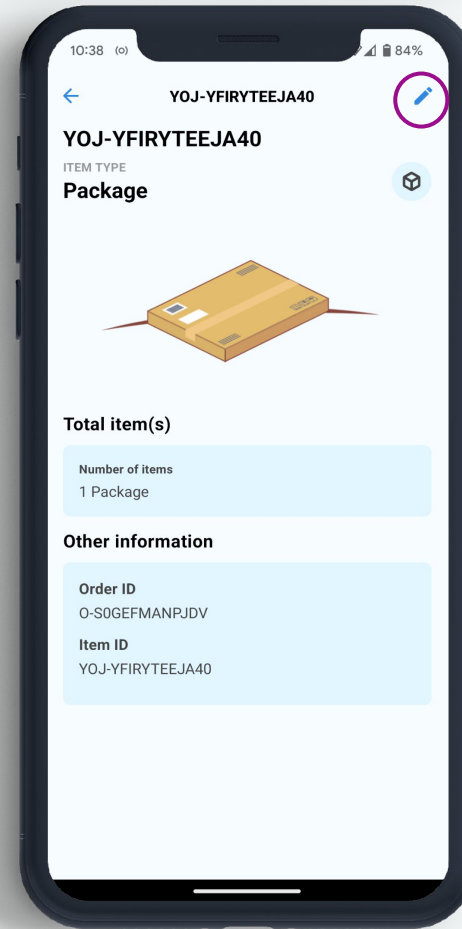

Select **More Information**

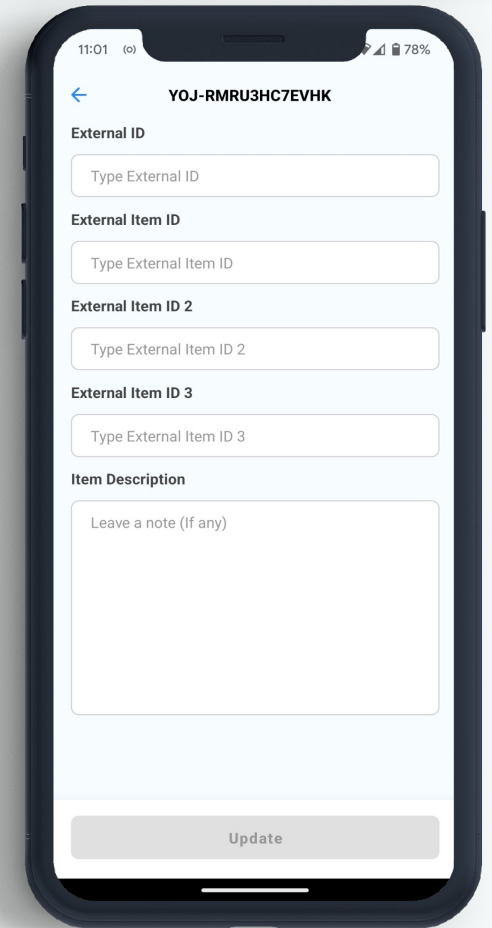

Select order to update

Select edit icon in top right

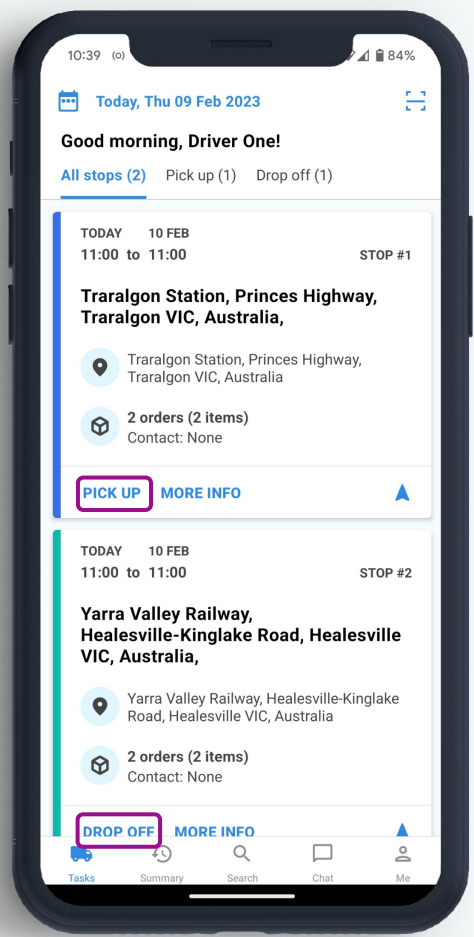

Update required information, then press **Update**

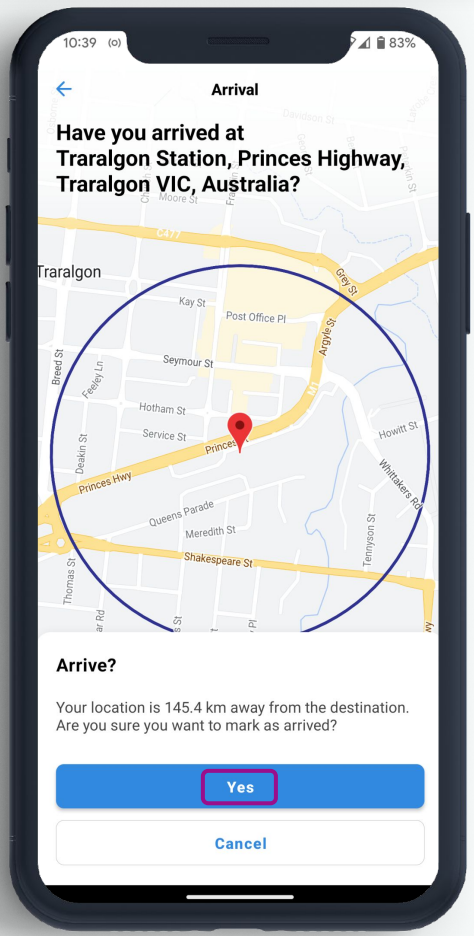

Driver App - Completing 1/3

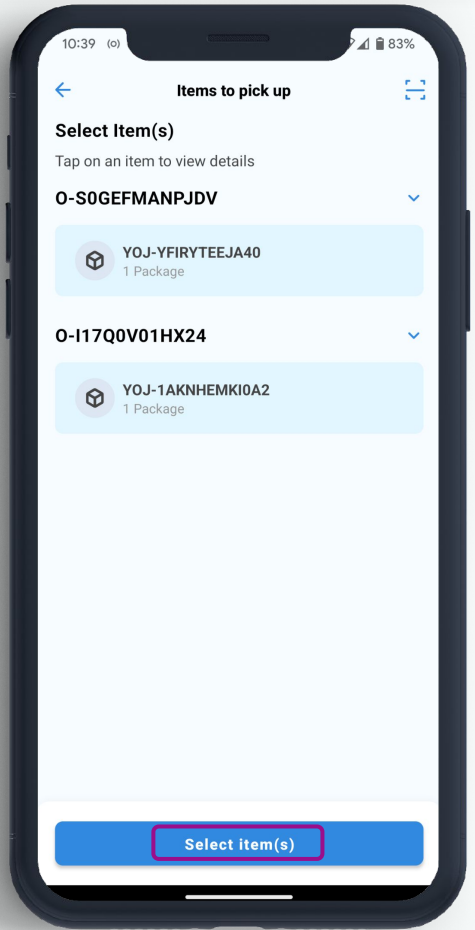

Click on **Pickup** or **Drop Off** from your tasks list

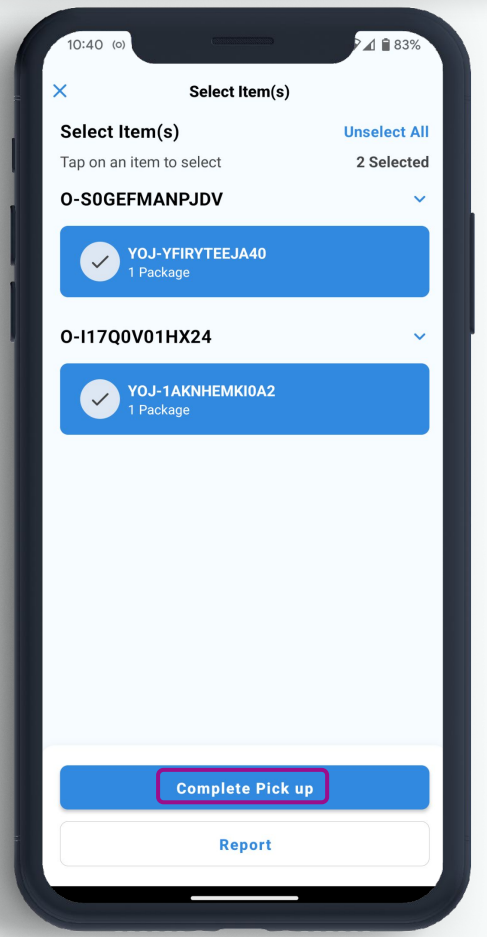

Confirm you are at the correct location* by pressing **Yes**

Click on **Select Item(s)** for the location

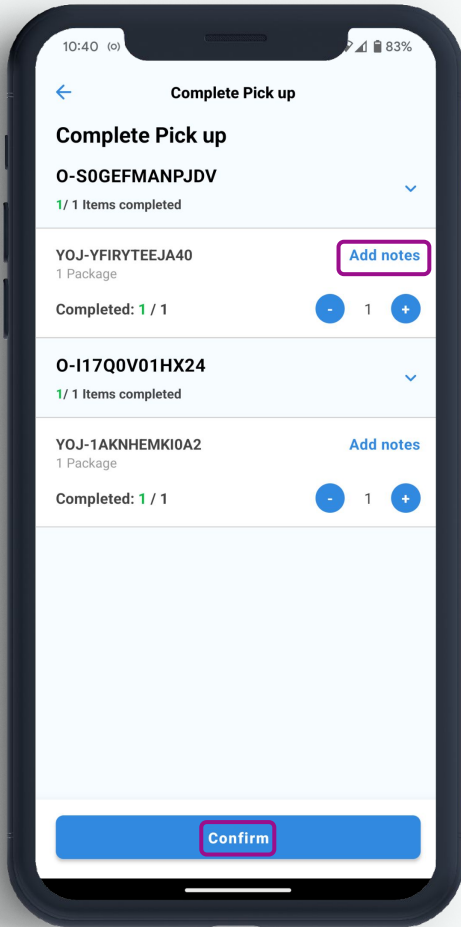

Select items collected, then **Complete Pick up**

*This screen will bypass if the device is within 500m of location

Driver App - Completing 2/3

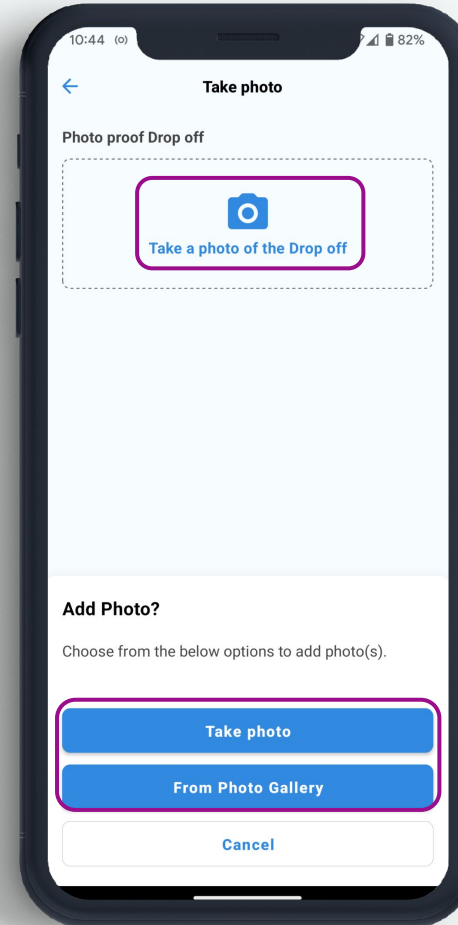

If any additional notes are required, select **Add notes**, otherwise **Confirm**

Leave note, then select **Add notes**

If prompted, add photos by selecting the camera icon, then **Take photo** (to open camera) or **From Photo Gallery** (for stored photos)

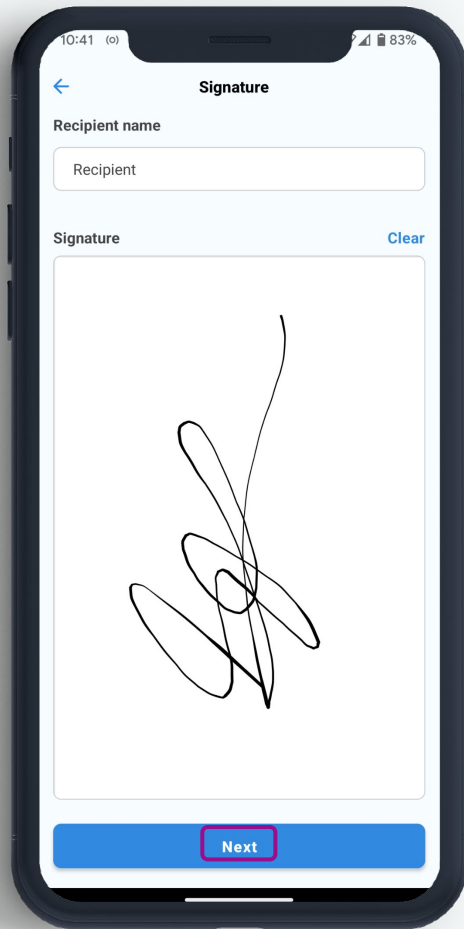

More photo's can be added by selecting **Add more**, otherwise **Next** to proceed

Driver App - **Completing** **3/3**

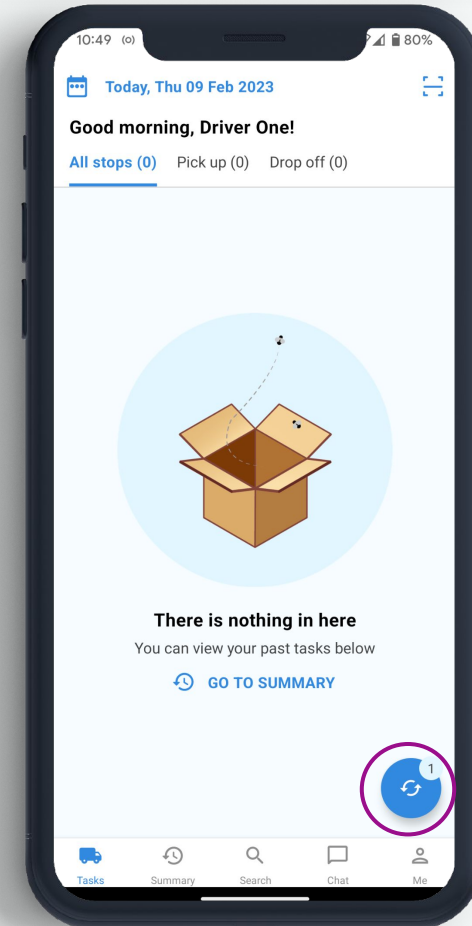

If prompted, add Recipient name and Signature, then **Next**

Once ready to depart, select **Yes, I am ready to depart**

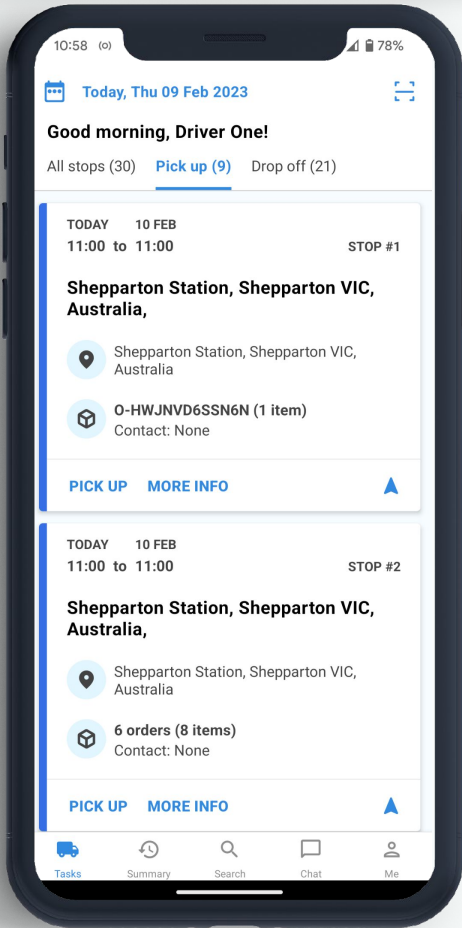

The delivery will then sync in the background once connected to internet

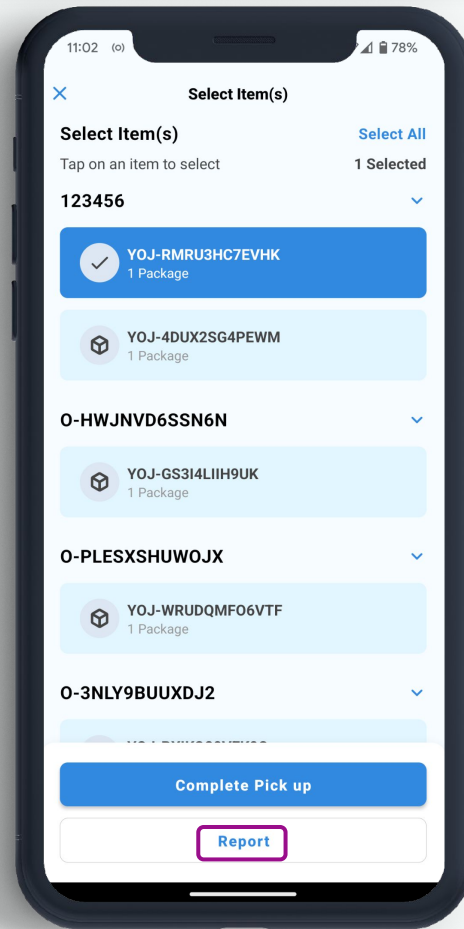

Driver App - Reporting/Failing

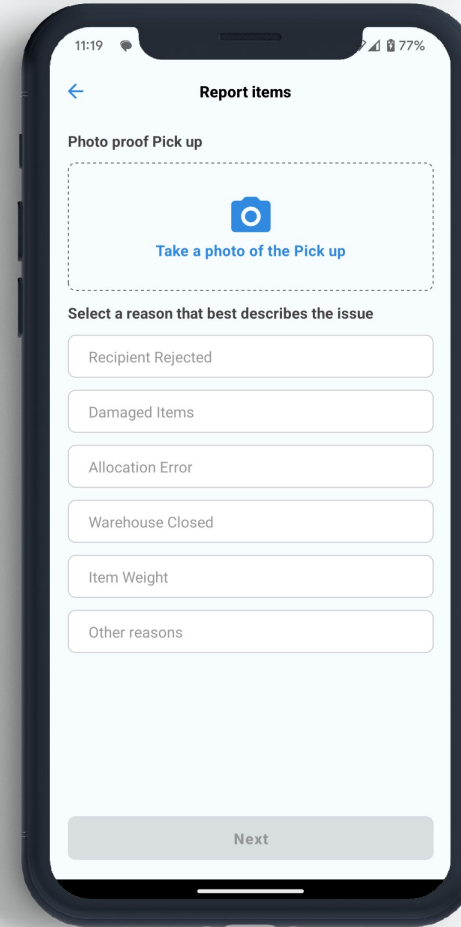

Select on **Pickup** or **Drop Off** from your tasks list and confirm location (if prompted)

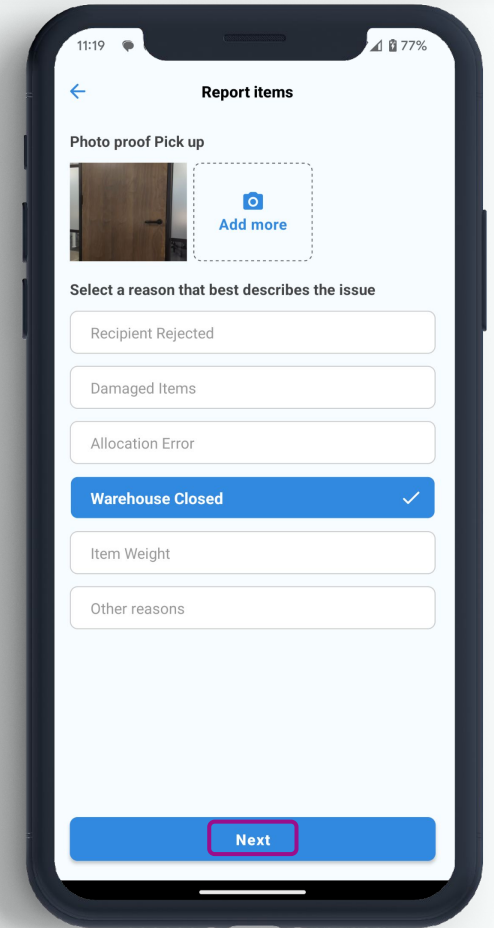

Select **Item(s)**, select reporting/failing items and press **Report**

Where prompted, add photos and select reporting/failing reason

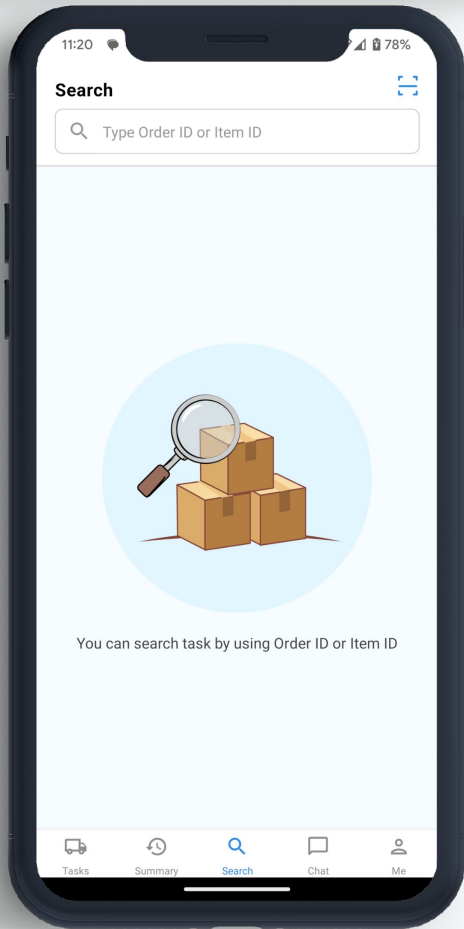

Once complete, click **Next**, and confirm you are ready to depart
